Public Segment

Total Order booking performance of Public segment was up to TL 166 million in 1H2018 increasing by 33% compared to the same period of the previous year. Thanks to successful order booking performance in **Defense category** which has offset the melting in **Government** and **Telco** categories in a large extent. City Security Projects, Safety School Projects and System Integration project for 112 S.O.S and GSM-R project positively contributed to the consolidated order booking performance of the Public segment in 1H2018.

Consolidated public segment revenue was almost flat in the first half of the year thanks to favourable FX rate and Group's diversified business structure. Through the strong backlog in **Government category** resulted in a 23% revenue growth while new projects in **Defense category substantially** balanced the contraction in **Telco's** category on a consolidated basis. Consequently, **Public Segment's consolidated revenue** reached TL133 million in 1H2018 with a slight increase of 0.8% over the same period of previous year.

OPERATIONAL PERFORMANCE

Enterprise Segment

Despite several challenges in Group's operational markets, it succeeded to its **order bookings** at a flat level in **Enterprise segment** and recorded TL 172 million new order during 1H2018.

Through the new contracts signed with major enterprises in **General Industry** and **Finance sector** also positively contributed to the total order booking performance of Enterprise segment and Group recorded circa TL 100 million new order in **Enterprise segment** in 2Q2018.

Moreover, under the favour of strong backlogs with highly margined large scaled projects and favorable FX rate, Group recorded 8% revenue growth in Enterprise segment in 1H2018.

In spite of shrink in order booking performance of Enterprise segment in 1H2018, **revenue** remained flat at TL 176 million thanks to long-run relations with the banks and other companies in the **Finance Sector** and **General industry**. Enterprise segment generated 43% of total Group's consolidated revenue in 1H2018.

International Segment

Mainly due to high base of 1H2017 and long order execution process of potential large scaled projects in Algeria and other target markets, Group's international operations' order bookings and revenue numbers in 1H2018 were far below compared to the results of same period of the last years.

Technology Segment

Once- more long-run continuing business relations with Ribbon showed its positive impact in Group's financial results and thereupon Group's order performance in Technology segment increased by 16% y-o-y in 1H2018 and reached TL41.3 million. While revenue grew by 22% over the same period of the previous year with the contribution of favorable FX rate.

BDH

BDH's orders-booked increased by 24% in 1H2018 vs 1H2017 and revenue was recorded at TL22 million increasing by 24% y-o-y for the same period.

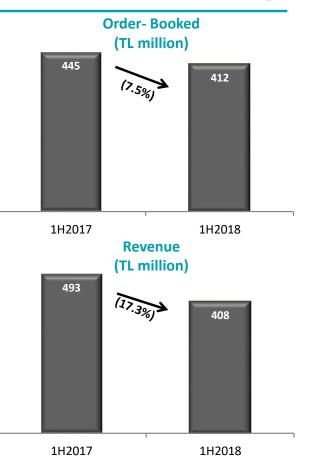

CONSOLIDATED FINANCIAL PERFORMANCE

CONSOLIDATED FINANCIAL PERFORMANCE

- Group's consolidated order booking performance was reported at TL412 million in 1H2018 against TL 445 million in 1H2017. Despite the macroeconomic instability and challenging global external financing environment, decline in the order booking performance of the Group was eased at a large extent with an improvement in Public, Technology and BDH segments. Thanks to its greater presence in domestic market and diversified business structure.
- Excluding the International markets Group recorded a growth in its other business segments in terms of revenue. Due to the strong base effect of last year in international markets consolidated revenue declined by 17% y-o-y and was recorded at TL 408 million in 1H2018.
- In 1H2018, Group's gross profit declined by 30% mainly due to increased USD based expenses and reported at TL 37 million as of end of June 30, 2018. While, gross profit margin eased to 9.0% with a 162bps decline in 1H2018 from 10.7% level in the same period of the previous year.

- Consolidated operating expenses (OPEX) increased by %22 to TL 51 million in 1H2018 from TL 42 million in 1H2017 mainly attribute to rising USD based operating expenses and increased G&A expenses of continuing projects. While, other expenses increased to TL 42 million as a result of increased non-cash operating FX losses.
- Group recorded an operating loss of TL 52 million in 1H2018 mainly due to non-cash FX losses incurred from FX based operating expenses. And consequently, consolidated Earnings Before Interest, Taxes, Depreciation, and Amortization (EBITDA) recorded as a loss of TL 2.3 million in 1H2018.
- Group recorded TL 35 million interest expenses as a result of increased bank loans and higher interest rates in 1H2018 to meet operational requirements. Even if increased financial expenses was compensated with TL 70 million financial income with support of favorable FX rates of USD against Turkish Lira, this can not prevent to Group's first half bottom-line turn to red and recorded TL 23.0 million loss in 1H2018.
- Excluding the impact of new standards of IFRS-9 and IFRS-15 bottom-line would be recorded at TL 22.6 million for the first half of 2018.

CONSOLIDATED FINANCIAL PERFORMANCE

Even it was not directly related with Group (Netaş) and its subsidiaries, the ban imposed by the U.S. Department of Commerce against ZTE Corporation of prohibiting from participating in any transactions involving any item subject to Export Administration Regulations (EAR), Group's operations negatively affected. Due to the imposed ban Group missed some tender offer opportunities and stopped the sales of US products to tear carefully until the assurance of the ban borders. In addition to that, Group's plans on the international markets with ZTE were also suspended during this period.

According to the latest news, The U.S. Department of Commerce and ZTE reached an agreement on settlement and the further steps required to terminate the Order. ZTE has taken the required steps, and BIS terminated the Order, effective from July 13, 2018. Accordingly, Subsidiaries and affiliates of ZTE are no longer prohibited from participating in transactions with ZTE involving Items subject to the EAR globally. That might be helpful to utilize coming further opportunities for Netaş in near terms and bring heat to international operations.
